

Re: Testimony in SUPPORT of S.B. No. 184 & H.B. No. 5262

Dear Government Administration and Elections Committee,

I have lived in Connecticut all my life (in Greenwich since 1975), and the ability to vote early and to vote by absentee ballot make it much more possible for me and others my age (82) to vote.

I would not want to lose the ability to vote, and these bills make it possible for me and other senior citizens to vote, despite my age and despite the epidemic.

I understand that various procedures are necessary in order to ensure that Connecticut has a modern elections system. Please make that happen.

Sincerely yours,

Harald Hille
